UNITE FOR A LEFT ALTERNATIVE IN EUROPE

Manifesto of the European Left, 2004
ABOUT THE EUROPEAN LEFT

The European Left (EL) is a political party at the European Level that was formed in 2004. Member, Observer and Partner parties of the EL are socialist, communist, red-green and other democratic left parties. Their basic principles and political goals are outlined in the 2004 EL Manifesto. Membership to the EL is open to any left party and political organisation in Europe that agrees with the EL Manifesto and accepts the EL Statutes.

EL MAIN BODIES

The Executive Board
The Executive Board consists of the EL President and Vice-Presidents, the Treasurer, and 2 members (a man and a woman) for each member party, elected by the Congress.

The Council of Chairpersons
Its members are the Chairpersons of all member parties, the EL President and Vice-Presidents. The Council of Chairpersons adopts resolutions and recommendations that are passed to the Executive Board and the Congress. It also decides about applications for EL membership.
